Dear David and Rusty:

I need your assistance on the EPA HP web page:

Please delete this portion in the Announcement & Key Section:

~~The 60-day Public Comment Period for the Navy's Draft Parcel G Workplan Closed on August 14, 2018.~~

~~EPA's comments on the draft workplan can be viewed~~

REPLACE IT WITH THE FOLLOWING:

On Monday August 27, 2018, at 6:00pm the San Francisco Citizens Advisory Committee will hold its Environmental and Reuse Subcommittee meeting at 451 Galvez St., San Francisco near the Shipyard. The U.S. Navy will give a radiation update.

The U.S. Navy released its Draft Parcel G Radiation Workplan for a 60-day public comment period closed on August 14, 2018. EPA's comments on the Draft Parcel G Workplan can be viewed [here](#).

Bring up the FYR area.
